We are all excited that you're soon returning

to our dear Arizona.

So, this particular Summer has been a long one here in our lovely state of Arizona. In part because there has been not a drop of rain. And we crave for it. Our pools don't do it since we miss the excitement of hearing and seeing the thunder and lightning of the monsoon season. And well, mother nature has not been cooperating much. Trust us. We missed our monsoon season all together.

The other thing and most important one is that we miss you all. We know you're not bunkered inside a safe cool air-conditioned undisclosed location. Therefore, we realize you're out there somewhere enjoying a beautiful time with friends and family at each of your particular Summer destinations. And you deserve it. So, you're all greatly missed.

So, here is the deal. We have some plans for our big gathering and 'Welcome Back' meeting in October (date TBD). And aside to greet you all snowbirds, we thought you'd like to share with us some of your Summer highlights with us. What do you think of this game plan? Share your thoughts.

WE WANT TO KNOW WHAT YOU DID LAST SUMMER.

(Sounds like a movie trailer, doesn't it?) Anyway. Share a highlight, anecdote or a special event that occurred to you this Summer of 2019.

DETAILS

We are looking for your stories that may be shared with our members and narrated by you or a companion.

Something amazing, compelling, comedic, funny, or simply fabulous, etc. You may include photos, route maps, etc., that we can show on the large screen at our meeting. We intend to present it as a slide show presentation for all of us view and enjoy. Short movies may be included too.

You can also bring some keepsakes or souvenirs or some details about your Summer trip outside Arizona.

SOME GROUND RULES.

- Be reminded that we respect your privacy and if sharing pictures that may include you or other club member(s) in it, please disclose that and grant us your permission(s) to share and showcase these only during our meeting.
- Let us know by Oct 3, if you are interested to include your image slides with your stories, etc.
- Keep your narrations to 5-10 minutes maximum.
- If you need our assistance in getting slide presentations set up on your behalf, please contact any of our Club team leaders. We'll be happy to do so.
